

“COMPLETE” WEEK 9

A. Introduction:

1. Cuba and three baptisms this past Sunday. They are now blessed by the gift of “completeness”.
2. Where are you on the LIMB? Where is our congregation on the limb? How does this relate to being complete?
3. Review Colossians 2:6-15. Congregation? You?

B. The Lesson: Nick’s devotional on 3/19/23

1. Two critical statements that I want us to address as we continue to look at why congregations and members of the kingdom are not more complete. I think tonight’s lesson is easier to apply to individual members of the kingdom. However, it does apply to congregations.
 - a. “Maybe what God has promised is not enough.”
 - b. “If I do not take care of myself who will.”
2. Yet what does Scripture teach us?
3. Yet what does experience teach us?
4. Yet what does natural revelation teach us?

C. Next week we will discuss how a “Complete” life looks?
