Grade 3 to 5 Classroom Supplies for 2025 – 2026

This year, each **Grade 3 to 5** student will be paying a **school supply fee of \$45.00** and all supplies for the year will be purchased by the classroom teacher. Payment made through SchoolCash Online is preferred <https://ssrce.schoolcashonline.com/> . Cash or cheque payable to Bluenose Academy and given to the classroom teacher on the first day of school will also be accepted. **If any family is interested in donating an extra fee for a family in need, please let the school know.**

The following is a list of items each student will need to bring on the first day of school:

- Lunch box/bag - **clearly labelled with student's name** on the outside
Please put a small washable placemat in your student's lunch box daily.
(dishcloth or towel works well)
- Backpack – **clearly labelled with student's name** on the outside
- Spare set of clothes for emergencies (shirt, pants, socks & underwear) – in a drawstring bag, **labelled with student's name**
- 1 pair of indoor sneakers that your student is able to fasten/tie on their own – **labelled with student's name**
- 2 full-sized boxes of Kleenex/tissues (to be stored in the classroom) – no need to label
- \$45.00 for classroom supplies (Schoolcashonline, cash or cheque payable to Bluenose Academy)
- Earphones/earbuds for Chromebook usage (student's preference) - not wireless please

Clothing for Physical Education: Students do not change clothes for Phys. Ed. class. It is beneficial for students to wear loose fitting, comfortable clothing on Phys. Ed. days. A Phys. Ed. schedule will be provided to families in September.

Please note: Students are required to wear sneakers for Phys. Ed. classes.

It is suggested for families to have a small supply of pencils, an eraser, a glue stick, scissors, coloured pencils/crayons and paper at home for students to complete practice work and assignments. Designating a specific area to complete such work is beneficial for most students.

We look forward to seeing you in September.
