

Bye, Brendon

Unfortunately, this is going to be the last email I send you.

But it's not too late,

If you are interested in the 1 simple tweak that will drastically improve your online presence I found while researching the home improvement niche.

(And the best part is majorly of your competitors aren't even using it for example Elite Home Improvements and John O'Leary Home Improvement Services)

Just send me a carrier pigeon saying so or an email that works too I guess...

Hope to hear from you soon,

Michael C.[G](#)

P.S. If I don't hear back from you in the next 24h unfortunately I have to remove you from my list
