Our Mission & Core Values: At Transformation Zone we have 5 core values that fulfill our mission.

- Radical discipleship – creating an authentic relationship with Jesus Christ that spills over into every aspect of life.
- Inspiring servant leaders – shaping lives to actively love our neighbors as ourselves
- Building relationships – unifying people of diverse backgrounds to strengthen God’s kingdom
- Serving others – understanding it’s not about us and becoming a world changer with God’s heart for His people
- Experiencing God – finding God through worship, fellowship, and service

Churches: Each church participating is required to provide transportation for all of their participants, have adult leadership (21+) that have been background checked & Ministry Safe training. You will need both male and female adults to help lead crew(s). There will be a Church Group Form sent out after the church registers. We intentionally mix up crews with other churches to create an atmosphere of teamwork and serving with others.

Half-day Wednesday: For full week participants, we go to Zoombezi Bay after lunch to have fun and build relationships between the churches. After the time at the park, each church is responsible for their participants, dinner, and will be able to stay at the Zoo or go hang out somewhere in Columbus until that evening. Dinner is on the individual or church.

Service Projects: Our projects are teamed up with organizations and churches in the greater Columbus areas of Union, Franklin, Delaware and Madison counties. All programmed activities and supplies are in the registration price of the trip except for gas reimbursement.
