## Making “Tongues of Fire” Craft

### Instructions

1. Print the template. ([Template](#))
2. Cut out all the pieces.
3. Use the flame pieces as templates to trace them onto red, yellow and orange construction paper.
4. Cut out the flame pieces and glue the pieces together.
5. Grab the rectangle templates and trace the larger pieces onto the color of your kids choice and the smaller piece onto red construction paper. You will need three of each.
6. Glue the smaller pieces to the larger pieces. Then glue the assembled parts together creating one long band.
7. Place the band in front of your child and then glue the flame to the center of the band.
8. Wrap the band around your kids head. Once you have the desired length use a couple of paper clips or a piece of tape to hold the shape. Then add glue to set it in place.
