Benefits

Lightweight and Non-Greasy: Abyssinian Carrier Oil is renowned for its lightweight and non-greasy texture, making it an ideal choice for all skin types. This oil is a natural emollient that helps the skin retain moisture, promoting a hydrated and supple complexion.

Revitalizes and Conditions Hair: Abyssinian Oil is a fantastic hair conditioner, providing deep hydration without weighing down strands. It revitalizes and strengthens hair, leaving it silky, smooth, and manageable.

Relaxing Massage Therapy: Abyssinian Carrier Oil offers an excellent glide during massages, ensuring a smooth and enjoyable experience. Its natural properties contribute to muscle relaxation, making it an ideal choice for massage therapy.

Stable Shelf Life: With its high stability and resistance to rancidity, Abyssinian Oil extends the shelf life of formulations, ensuring product longevity and customer satisfaction.

Directions and Uses

- **Moisturizing Face Serum:** Apply 2-3 drops of Abyssinian Carrier Oil onto clean, towel-dried skin. Gently massage in circular motions until fully absorbed and follow with your choice of moisturizer.
- **Scalp Massage for Dryness:** Section your hair and apply 1-2 oz of oil to the scalp (this will vary depending on hair thickness and texture). Massage gently to soothe dryness and itchiness. Wash hair as usual after treatment.
- **Relaxing Full-Body Massage:** Warm up to 1 oz of Abyssinian Carrier Oil between your palms. Apply to the body using long, sweeping strokes during a full-body massage. Adjust quantity based on desired pressure and coverage.
