

WELCOME!

Harry Ainlay Titan Volleyball Tournament (TVT)

Senior, September 25-27, 2025

Welcome to the Titan Volleyball Tournament 2025 edition! We're ecstatic that you could make it. Year after year, the best teams come to Harry Ainlay to compete in one of the biggest volleyball tournaments in Western Canada. Thank you so much for being part of one of the most storied traditions in our school!

Harry Ainlay opened its doors in 1966 and won the Senior Women's Provincial Volleyball Championship in its first season. Since then the Titans have excelled in inter-school athletics at the city, provincial and interprovincial levels. No other Edmonton area high school has won more City and Provincial championships than Harry Ainlay. Our history of excellence is a product of the dedicated efforts of student-athletes, parents, and coaches. An outstanding student body has supported this success throughout the years.

To that end, our goal is to make your visit and participation in our tournament as pleasant as possible. If you have any questions about the tournament please find one of our many tournament volunteers or TVT Executives.

At any time, you can find more information about the Titans Volleyball Tournament, like updated draws, score sheets, a team list, and much more by scanning the QR code found in this document, the [TVT RESULTS/ DRAWS](#).

Whether you are a player, coach, or fan, we hope you have an excellent experience at our school!

Thank you,

2025 Harry Ainlay TVT Committee

Tournament Format:

The tournament will be played in the classical round-robin format. In round-robin matches, the first two sets will be capped at 27, and the third will be capped at 17. In the playoffs, the first two sets will be capped at 27, and the third will have no cap.

For more information, view the program.

Tie Breakers:

If two or more teams are tied at the end of the round, the following criteria will be applied, in order:

1. The team having the best ratio of won/lost whole games, considering games played between the tied teams, will be ranked higher.
2. The team having the best ratio of won/lost sets, considering matches played between the tied teams, will be ranked higher.
3. The team having the best ratio of won/lost sets, considering all matches of the round, will be ranked higher.
4. The team having the best ratio of set points for/against, considering games played between the tied teams, will be ranked higher.
5. The team having the best ratio of set points for/against, considering all games played during the round, will be ranked higher.
6. Toss of coin.

When you apply this rule to break a tie, you should follow this sequence:

1. When two teams are tied, the tie-breaking criteria are applied one after the other until the tie has been broken.
2. When three or more teams are tied, the tie-breaking criteria are applied one after the other until all the tied teams have been ranked.

Awards/Trophies:

ALL-Stars - At the end of the Consolation/Bronze/Gold medal games each coach will choose an all-star from his/her team.

MVP of the Tournament- After the **Gold Medal Match**, an athlete will be selected as the MVP of the tournament by the winning coach. Championship, runner-up, and third-place trophies will be rewarded.

Food Services: A concession will be in operation during the tournament

Admissions: A ticket booth will be located at the entrance to the large gym in Harry Ainlay High School.

Current Results: The updated draws, standings, and results can be found in the QR Code Above.
