

Flying Bodyguard 2: In-Training Privacy Policy

Privacy Policy

Adel A. Warda built the Flying Bodyguard 2: In-Training video game as a Commercial app. This Service is provided by Adel A. Warda (Aiden W.) and is intended for use as is.

This page is used to inform visitors regarding my policies with the collection, use, and disclosure of Personal Information if anyone decided to use my Service.

If you choose to use my Service, then you agree to the collection and use of information in relation to this policy. The Personal Information that I collect is used for providing and improving the Service. I will not use or share your information with anyone except as described in this Privacy Policy.

Information Collection and Use

For a better experience, while using our Service, Flying Bodyguard 2: In-Training may collect information relevant to the usage of the app, including but not limited to information collected by the Unity engine and Google Play Store for statistical uses (coarse installation location, such as country).

The app does not require an internet connection to be used, unless for purchasing IAP (In-App-Purchase) which is made through Google Play Store, it does not contain ads and does not use cookies or any functions to record on your device, while using it. However, certain app performance information may be collected by third-party services when using and/or installing the app.

Security

I value your trust in providing us your Personal Information, thus we are striving to use commercially acceptable means of protecting it. But remember that no method of transmission over the internet, or method of electronic storage is 100% secure and reliable, and I cannot guarantee its absolute security.

Children's Privacy

These Services do not address anyone under the age of 13. I do not knowingly collect personally identifiable information from children under 13 years of age. In the case I discover that a child under 13 has provided me with personal information, I immediately delete this from our servers. If you are a parent or guardian and you are aware that your child has provided us with personal information, please contact me so that I will be able to do the necessary actions.

Changes to This Privacy Policy

I may update our Privacy Policy from time to time. Thus, you are advised to review this page periodically for any changes. I will notify you of any changes by posting the new Privacy Policy on this page.

This policy is effective as of 2025-06-18.
