Annual Successful Report

EXECUTIVE SUMMARY 2023/2024

The Trigoal Foundation Report offers a candid and comprehensive assessment of our organization's progress, challenges, and impact over the past year. This report showcases our key achievements, setbacks, and valuable lessons learned, underscoring our dedication to accountability, transparency, and ongoing improvement in pursuit of a sustainable future for all.

INTRODUCTION

The Trigoal Foundation is a non-profit organization dedicated to empowering rural and marginalized communities through economic empowerment, sustainable agriculture, and quality education. Our mission is to create a brighter future for all, particularly the most vulnerable populations.

OUR MISSION AND VISION

The TriGoal Foundation (TGF) is an international organization addressing poverty, hunger, and education disparities. Focused on UN Sustainable Development Goals (SDGs) 1, 2, and 4, TGF empowers rural and marginalized communities in Nigeria, Africa, and globally.

EMPOWERMENT PROGRAMS

Our comprehensive programs empower individuals and communities through:

1. Economic Empowerment: Vocational training, entrepreneurship support, and microfinance.
2. Sustainable Agriculture: Climate-resilient farming and addressing malnutrition.
3. Quality Education: Increasing access, promoting literacy, and enhancing employability.

IMPACT AND ACHIEVEMENTS

The Trigoal Foundation has made quietly significant strides in its mission to uplift the well-being of underprivileged communities. Through dedicated efforts, we've driven meaningful change by expanding access to economic empowerment, sustainable agriculture, and quality education. These initiatives have profoundly impacted thousands of lives, paving the way for a brighter future for generations to come.

- Economic Empowerment

1. Training and Mentorship: We provided comprehensive training and mentorship to over 10,000 individuals, equipping them with essential skills to start or expand their businesses.
2. Entrepreneurship Development: We fostered entrepreneurship development among beneficiaries, promoting innovation, creativity, and job creation with an aim to minimize the level of poverty in our communities.
3. Access to Finance: Our economic empowerment programs facilitated access to finance for beneficiaries, enabling them to secure financial grant and other form of support.

- Quality Education

1. Quality Education Initiatives: Our quality education initiatives reached over 5,000 children and youth, promoting literacy, numeracy, and essential life skills. We also distributed writing materials and provided cooked-food support to primary school pupils.
2. Teacher Training: We provided training and capacity-building programs for teachers, enhancing their pedagogical skills and subject matter expertise in collaboration with other educational experts.
3. Education Infrastructure: Our quality education initiatives supported the development of education infrastructure, including classroom renovations, mini-libraries, and other essential facilities.
4. Career Guidance: We organized career talks for secondary students in various rural communities, guiding them toward informed career choices.

- Sustainable Agriculture

1. Sustainable Agriculture Projects: We established over 500 sustainable agriculture projects in rural Nigeria, promoting environmentally friendly farming practices and improving crop yields.
2. Food Security: Our sustainable agriculture initiatives enhanced food security for rural communities, providing access to nutritious food and reducing hunger.
3. Income Generation: We empowered rural communities to generate income through sustainable agriculture, reducing poverty and improving livelihoods.

CHALLENGES AND SETBACKS

Despite our achievements, we encountered several challenges that tested our resilience and adaptability.

- Funding Constraints

1. Insufficient Funding: Limited funding hindered our ability to scale up our programs, restricting our impact and reach.
2. Diversifying Funding Sources: We recognized the need to diversify our funding sources, reducing dependence on a single donor and ensuring long-term sustainability.

- Security Concerns

1. High-Risk Areas: Operating in high-risk areas posed significant challenges to our staff and beneficiaries, necessitating enhanced security measures.
2. Risk Management: We developed and implemented robust risk management strategies, ensuring the safety and security of our staff, beneficiaries, and assets.

- Climate Change

1. Devastating Effects: The devastating effects of climate change on rural communities underscored the urgent need for sustainable agriculture practices and climate-resilient initiatives.
2. Climate-Resilient Initiatives: We integrated climate-resilient initiatives into our programs, promoting sustainable agriculture practices, climate-smart agriculture, and disaster risk reduction.

COMMUNITY RECOGNITION

The Trigoyal Foundation is deeply honored to have received multiple Awards of Excellence on several occasions. These prestigious awards recognize our organization's exceptional contributions to:

- Impactful community services
- Selfless volunteering
- Strategic collaboration and leadership
- Humanitarian works

These awards serve as a testament to our unwavering commitment to empowering lives and creating a brighter future for all. We are grateful for this recognition.

Please find attached photos from some special occasions above.

LESSONS LEARNED

1. Importance of Partnerships: We learned the importance of building strong partnerships with local communities, governments, NGOs and other stakeholders.
2. Need for Flexibility: We recognized the need to be flexible and adapt to changing circumstances, such as funding constraints and security concerns.
3. Focus on Sustainability: We emphasized the importance of prioritizing sustainability in our programs, ensuring that our interventions are environmentally friendly and socially responsible.

CONCLUSION

The Trigoal Foundation Report embodies our dedication to transparency, accountability, and continuous improvement. We acknowledge the challenges and setbacks encountered while celebrating our achievements and the tangible impact made.

RECOMMENDATIONS

To further our mission and amplify our impact, we propose the following:

1. Increase Funding: We recommend augmenting funding to support the strategic scale-up of our programs, ensuring we reach more marginalized communities and deepen our impact.
2. Strengthen Partnerships: We advocate for fortifying partnerships with local communities, governments, NGOs and other stakeholders to leverage resources, expertise, and networks. This will enhance our ability to deliver high-quality programs and achieve sustainable outcomes.
3. Prioritize Sustainability: We emphasize prioritizing sustainability within our programs, ensuring interventions are environmentally friendly, socially responsible, and economically viable. This will guarantee that our programs have a lasting impact and contribute to the well-being of future generations.

ACKNOWLEDGEMENT

We extend sincere gratitude to our tireless team members, partners, and stakeholders for their unwavering support, sacrifice and volunteering. Together strive for excellence and continue making a meaningful difference in the lives of marginalized communities.

Sincerely,

Buhari Aminu flmi,

Founder and Executive Director,

Trigoal Foundation.
