

Option 1

Please show the BTS Busan concert in Waterville!

Hey Flagship Cinemas, I'm reaching out with a bunch of local music fans to ask if you can please play the BTS Busan concert film at the Waterville location! A lot of us were super bummed to see it's only playing in Falmouth. Waterville has a huge, diverse community of college students and young adults who love K-pop, but we don't always have a way to drive all the way down to Falmouth just to see a movie. If Flagship brings it to Waterville, I promise you the local fan community will show up in full force to support it. Please consider adding a few screenings for us!

Thanks so much, [Your Name]

Option 2

Hello Flagship Cinemas Management

I wanted to reach out regarding the upcoming BTS Busan concert film screening. I noticed it is currently only playing at your Falmouth location, and I strongly urge you to consider adding showtimes at the Waterville theater as well. The demand for international music events like this is incredibly high right now, especially with the diverse student populations at Colby and Thomas colleges. If you look at how quickly these events sell out in other markets, it is clear that Waterville would draw a massive crowd. We love our local Flagship and want to spend our money here rather than driving over an hour away to Falmouth or Auburn. Please consider adding Waterville to the theater list for this event!

Best, [Your Name]

Option 3

BTS Busan concert at Waterville Flagship? 🙌 Hey Flagship Cinemas, is there any way you guys can play the BTS Busan concert film at the Waterville location? A ton of students and local fans really want to see it but we can't all make the drive down to Falmouth. The hype for this is crazy high and we would love to see it locally. Please consider adding a few showtimes for the Waterville area!

Thank you, [Your Name]
