

Rahul Gandhi's rising Twitter popularity in Russia, Kazakhstan, Indonesia!

Recently, Rahul Gandhi is in the news for a social media resurgence. But his popularity is fake and bought? #RahulWaveInKazakh

Numerous articles have been written about how Congress adopted a new strategy in order to cover the lost ground on social media. #RahulWaveInKazakh

Some of Rahul Gandhi's tweets got disproportionate retweets as compared to past! But they were from Malaysia, Indonesia and Kazakhstan! #RahulWaveInKazakh

There was no organic growth in Rahul's popularity but bought ones from far away Kazakhstan! #RahulWaveInKazakh

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/>

Increase in Rahul Gandhi's RT posed a natural question – is it organic spurt or sponsored?

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/> #RahulWaveInKazakh

Investigation of the accounts retweeting Rahul Gandhi's tweets showed up interesting results.

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/> #RahulWaveInKazakh

It was found that people (or bots) from Russia, Kazakhstan, Indonesia are actively retweeting Rahul Gandhi's tweets.

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/> #RahulWaveInKazakh

Incidentally, all these handles either tweet similar random stuff from across the world or tweet only about Rahul Gandhi.

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/> #RahulWaveInKazakh

Most of these accounts RTing Rahul Gandhi have less than 10 followers and only a few tweets.

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/> #RahulWaveInKazakh

Rahul Gandhi needed spurt in Twitter engagement, and his SM team used bots to please the master.

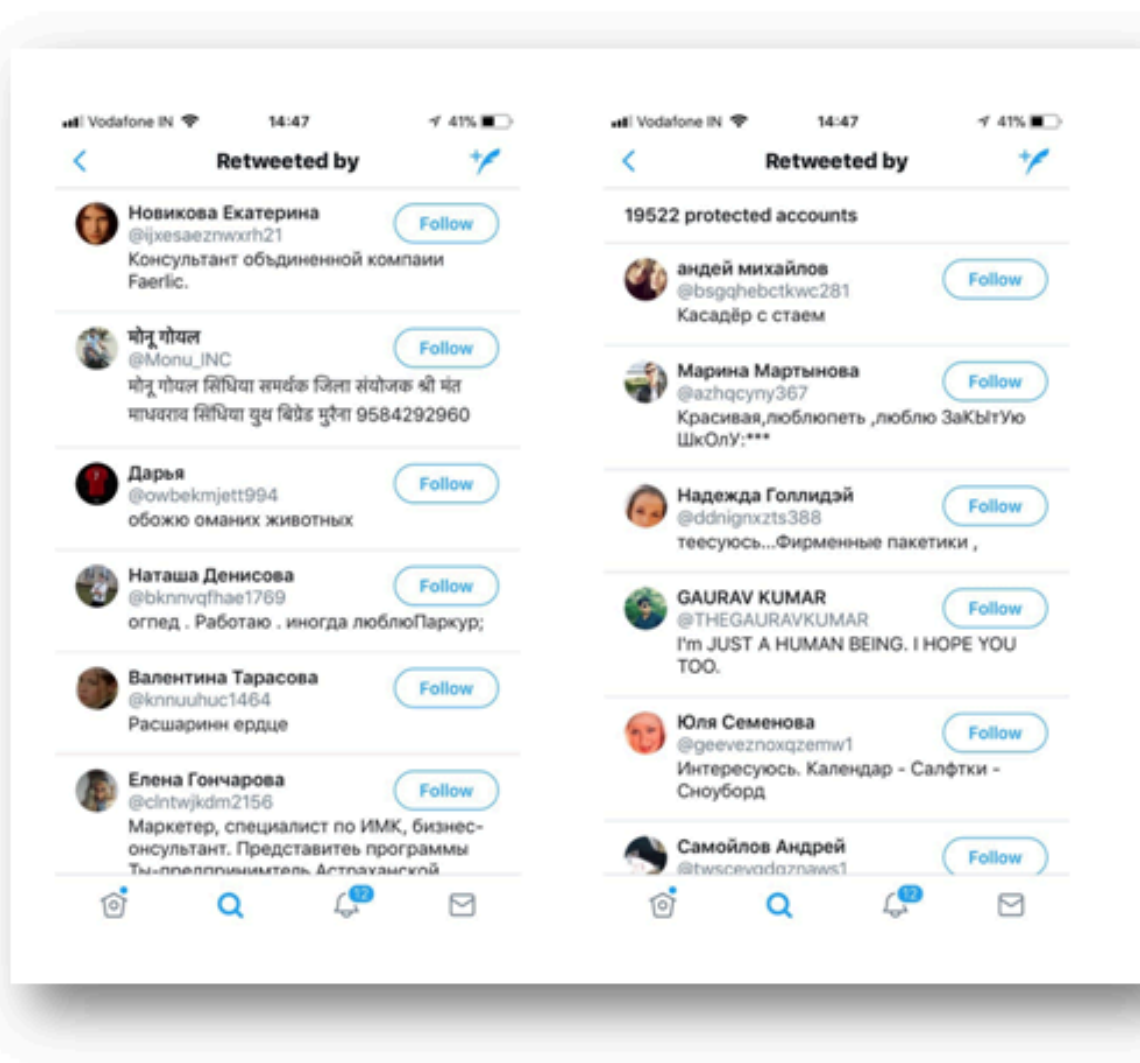

<https://www.aninews.in/news/national/general-news/bots-behind-rise-in-rahul-gandhis-twitter-popularity201710211305420001/> #RahulWaveInKazakh

Rahul Gandhi's spike in retweets is straight from the textbook of paid social media promotion.
