

The Green Team is excited to launch the Beye Student Green Team!

Is your child interested in sustainability and environmental action in their school, home and community? Are they looking for an opportunity to connect with other like-minded students across grade levels? They may want to join the new Beye Student Green Team!

Who can participate?

Everyone! Students of all grade levels.

What is it?

The Beye Student Green Team will gather to share their ideas and explore earth friendly actions to pursue in school and beyond. Students will develop their leadership skills while exercising their voice and choice within the school community.

One of the first opportunities for Student Green Team volunteering will be to help operate the lunchroom sorting station. Student Green Team members will help to guide fellow students about where to place their lunch waste: compost, recycling, community fridge donation box, or landfill.**

** If students will be participating in the first opportunity of helping with food sorting:

- Students who have food allergies may participate with parent/guardian permission.
- Gloves will be worn during their participation and handwashing will be reinforced as an expectation before and after handling any food or trash.

For any student with any risk of "contact" allergic reaction should not participate in this particular activity.

Additional volunteer opportunities will include:

- helping with fundraisers and service projects like the current Sneaker Drive
- planning Earth Day/Month activities
- working with other D97 and D200 environmental clubs
- supporting the ideas generated by this student group!

When and where?

Students will meet during lunch recess twice per month. Days and location to be determined.

Contact info?

Green Team parent volunteers will lead this group. Please direct any questions to Beyegreen@gmail.com **By March 1, either **MAKE a COPY of this document, fill out 2nd page and email to Beyegreen@gmail.com** OR print, fill out 2nd page and return to homeroom teacher (can go to any as they will get forms to the office).

_____ Yes, I give my child(ren) permission to participate in the Beye Student Green Team.

_____ Yes, I give my child(ren) permission to be photographed during Beye Student Green Team activities.

If you have more than one child please include them all on one permission slip.
