

Sub improvements:

1. Add more resources (done)
2. More community interactions
3. Enable cross posting (done)
4. Enable pictures in comments (done)
5. Get more mods (done)
6. Unban those wrongfully banned (done)
7. Add a thread for posting accomplishments
8. Remove thread autolocking (done)
9. All posts must have a flair (done)

Post flairs (done):

- Achievement
- Game Modifications
- Funny
- Bug / Glitch
- Help / Question
- Discussion
- Mobile
- Game News / Update
- Meta

User flairs will have an editable user flair, or playstyle/gamestage flairs (done, both)

Rules draft (done):

1. Be excellent to each other
 - a. Do not be mean to others. Even if you disagree with someone, try to respect their opinion.
2. Don't post save codes
 - a. If you absolutely need to post a save code, please use a text-hosting site like Pastebin instead of just pasting the save code.
3. Check the pinned megathread before posting
 - a. The pinned megathread has answers to many commonly asked questions, as well as guides for various parts of the game.
4. Off-topic posts are not allowed
 - a. Posts must pertain to Cookie Clicker, made by Orteil and Opti. This means fake versions of the game are not allowed. The official mobile app however, is allowed.
5. Low-effort posts are not allowed
 - a. These include:
 - i. Posting cheated saves
 - ii. Achievements that don't require effort like "Just Plain Lucky"
 - iii. Discussion posts that don't invoke much discussion

6. Use the wiki.gg cookie clicker wiki
 - a. Fandom is not a good company and we do not want to support it. The wiki.gg wiki also has more accurate and useful information and strategies.
7. Frequently posted accomplishments must be posted in the megathread
 - a. These include:
 - i. Combos with 3 or fewer golden/wrath cookie effects (on PC), mobile 2 unless Dragonflight+Click Frenzy.
 - ii. Obtaining garden plants, except the last plant required to get Keeper of the conservatory / Seedless to nay
 - iii. Any progress picture or accomplishment from before the first ascension. Exceptions include (true) neverclick, hardcore, or speed baking 2/3.
8. Do not answer questions that you are not qualified to answer.
 - a. This includes cross platform (Browser to Mobile and vice versa, but not Browser to Steam).
 - b. Don't try to apply logic from content mods (such as Kaizo cookies) to vanilla and vice versa. State which content mods you are using when asking for advice.
9. Reposting others' content is banned.
 - a. When reporting a repost, feel free to link the original.
