Quick question — have you ever wanted to create beautiful faith-based coloring pages but had no idea how?

LEFT: A vibrant full-color illustration

RIGHT: A clean black-and-white coloring page

Works with FREE AI tools like Bing Image Creator. Zero design skills needed.

EMAIL 2 — DAY 3 FOLLOW UP (Send 3 days after launch)

SUBJECT LINE OPTIONS:

Option A: From \$17 to 12 coloring books on Amazon — the math is incredible

Option C: One purchase. 12 Amazon books. \$504 per month.

EMAIL BODY:

Hey [First Name],

I sent you an email a few days ago about Faith & Bible Coloring Prompts.

I wanted to follow up because I did the math and the numbers are genuinely impressive.

365 prompts divided by 30 pages per book = 12 complete KDP coloring books.

12 books on Amazon KDP earning an average of \$6 per sale and 7 sales per month per book = \$504 per month in passive royalties.

From a \$17 investment.

And that is ONLY using the front end. The upgrade to 2,618 prompts means 87 KDP coloring books.

If you have not grabbed this yet the \$17 price is still live:
