

“Reproductive Right or Human Injustice?” Display

The purpose of this display: To engage with students on the topic of abortion, have them vote for their position, and explain why they voted that way! The display explains the science and philosophy behind the pro-life position.

Conversations/Approach: Let students explain their position first, and then address their points while pointing towards the SLED and Distinct, Living, Whole arguments shown in the display.

Materials provided by PLM:

- Entirety of the display will be brought to campus by a PLM Team Member

Materials that YOU will need to provide:

- A table
- At least 1 volunteer to be present at all times (ideally 2).
- Have candy or snacks available while tabling
