Agenda Topics

- Announcements
 - For Fantastic Futures Conference updates please see: <https://ff2023.archive.org/> and use the dedicated Slack channel for any questions: <https://ai4lam.slack.com/archives/C05CQRY58L9>

- [IIIF + AI/ML group](#) kick off call
- Other announcements from the community?
-
- Agenda: Open Call & Discussion - Celebrating failure / Reframing failure
 - **Please sign up below** if you would like to give a brief presentation or talk around the theme of celebrating or reframing failure:
 - *[Please add your name, and what you hope to highlight]*
 - Mia Ridge, British Library - is a pilot a failure if you learn enough from it?
 - Jean-Philippe Moreux, BnF — The [Gallica Images project](#), 8 years of R&D, 2 tenders: failure or success?
 - Abbey Potter, Library of Congress (facilitating) - Data quality and AI performance, what should we be measuring?
 - Solutions to match veterans and their spouses leaving the service with career opportunities. (Public challenge, winner was AI solution)
 -
- Future calls information
 - November call will be **cancelled** due to FF23 gathering in Vancouver
 - In order to avoid the winter break, our December call will take place one week earlier than usual, **on Dec. 12**. Topic: year in review and FF23 takeovers.

Notes & Questions: Please add any other questions/comments and we'll pick them up another time! Thanks everyone.
