Re: Afternoon Car Rider Pickup

Dear Parents and Guardians,

I hope this message finds you well. We are writing to inform you of important changes to our afternoon car rider dismissal process and procedures at Walkertown Middle School, effective October 18th. These adjustments are designed to prioritize the safety of our students, parents, guardians, and staff during dismissal.

Key Changes:

Car Rider Line Pickup Only: To ensure a safe and orderly dismissal, all car rider pickups will be restricted to the designated car line, with pickups beginning shortly after 1:55 pm. Students will be dismissed in order from designated locations inside the school building to the car rider area. We strongly advise arriving early and staying in the car rider line.

Starting from 1:40 PM, we will restrict walk-up pickups to ensure safety at the car rider line. We will reopen walk-up pickups after 2:15 pm. This measure will help us manage traffic flow and minimize congestion. All parents will be given display cards in which we ask them to write their student names

Walking Students: Students who walk off campus will be held until 2:10 PM. This will ensure that all car riders have exited safely before we allow students to leave on foot.

We understand that these changes may require adjustments to your afternoon routine, and we appreciate your cooperation and understanding as we implement these measures. Our goal is to create a safer environment for all members of our school community.

Thank you for your continued support and partnership. If you have any questions or concerns, please do not hesitate to let me know.

Sincerely,

Monica Bruce

Ms. Monica Bruce

Principal
