

**Cape Kennedy Corvette Club**  
**Established 1967**  
**NCCC Membership Renewal Application 2026**

Complete the following Renewal Application Form and submit payment. Check payment and form can be brought to a regular General Membership meeting; or mailed to **CKCC, Club Governor, PO Box 540857, Merritt Island, FL 32954**. Credit card payments will not be accepted this year as we are transitioning to a new website and credit card processing system. We will no longer be using Paypal as it is registered in a non-club members name.

**PLEASE complete the entire form and print legibly.**

***\*Due on or before November 11 (if mailed must be postmarked prior to Nov 7)\****  
**or subject to \$10 late fee**

Please note these names on the form will be the ones printed on your NCCC card and will be the only name recognized for NCCC events. PLEASE use whatever name you are likely to use when signing a waiver form. You may use your given name or a nickname.

The address you list below should be your primary address and is where all membership cards, NCCC Newsletters (Blue Bars) and other official mail will be delivered by NCCC and CKCC.

Blue bars will not be forwarded. They are actually destroyed and return postage of the address label is charged to NCCC. Blue Bars printing/postage fees are about 30% of NCCC budget. Snow birds – you must notify the governor of changes of residence (bi-annually) OR accept a softcopy of Blue Bars. Anyone can request a soft copy of Blue bars. Our RMD can request hard copies (in advance) if an issue will have CKCC photos/articles and members want a keepsake copy.

**NCCC fees are submitted to NCCC in full, these are \$40 for primary members and \$15 for spouses/companions at renewal. CKCC annual dues are \$30 for the primary members and \$10 for the spouses/companions.** CKCC is a 100% NCCC club. Both the Primary member and the Spouse/Companion must be NCCC members to be CKCC members. We strongly encourage all spouses/companions to be members as they will not be covered by NCCC insurance for any activities/events if they are not. Those CKCC members who are Lifetime NCCC members, or get their NCCC membership through another club only need to pay CKCC dues. The active NCCC# must be provided on the renewal form.

The club dues are used to subsidize the cost of the club Holiday party, supplies and fees for administration of club business, donations to charitable organizations, cover operation expenses for car shows, rallies, funkhanas and autocrosses, and food supplies and rental costs for parties and cook outs.
