Article Text:
Deputies surround a home in Pickens County after getting a call that shots were fired.
It happened this morning in Liberty on Marc Lane.
Deputies say they got a 911 hang-up call from a cell phone at about 9am.
When officers called back the person said they heard shots fired.
Around 9:30am a woman came out of the house, visibly distraught.
An officer took her to safety.
Deputies blocked off the area because a man was threatening to hurt himself.
Negotiators tried to talk to him.
Then at 2:30pm deputies went in the home and found the man dead.
The sheriff's office says it appears the man died from a self-inflicted wound.
