

ULTIMATE R♡MANCE FEST

FIRST CHALLENGE:

Flashback

Hello! Long time no see....

For our first challenge, your fic must include a flashback– did you know there were two kinds of flashbacks in literature? Well, there are!

External flashback: *before your story begins*

Internal flashback: *at an earlier point in your story*

You can write about any ship, as long as it involves either SEHUN and/or KAI.

I.E: sechan, sukai, kaixing, sekaisoo, sekaibaek, chankai, xiukai, sekai, chen kai, etc..

And remember, your fic must have *romance* and the ship you choose to write about must end up together!
