Payment via **Paypal**, nitro or robux are negotiable but not preferred. Contact via Discord (Crittercatt) or email crittercattcreations@gmail.com

Please provide necessary information for the character(s) you would like me to draw.

Payment is sent after the sketch is approved. Complexity or excessive changes outside of the sketching stage may raise price. I am happy to negotiate based on your budget!

TAT: A week to a month. Updates will be provided per each stage (sketch, lineart, ect).
Deadlines can be discussed.

I will draw anything as long as it is not sexual/fetish content or aimed to be harmful to real people/groups. I reserve the right to deny any commissions that I find uncomfortable or out of my skill set.

All rights to the art I create, including commissions, belong exclusively to me. You may not sell my art in any form, physical or digital under any circumstances unless you have my express written permission AND you have paid for the rights to do so. Use of my art for NFTS or AI is strictly prohibited with no room for negotiation of any kind.

In addition, any art I create is my own. Unless exclusive rights are purchased I retain all rights to use my art.
