

1 ; Hey there! Hope you're good. Just wanted to drop some news — I'm currently studying "Business Marketing Management," and I'm pretty excited about it. If you happen to know anyone who could use an extra pair of marketing hands or might be open to having an intern, I'd really appreciate any connections or introductions. Your help would be awesome, and it'd be great to catch up sometime soon! Thanks in advance for any leads you can share. 😊
