

## **Memorandum of Participation**

Species Common Name  
Species Scientific Name

The ZAA's Animal Management Program (AMP) for XXXXX includes the following provisions:

An annual conservation donation or in-kind support is encouraged for non-endangered species, as determined by either the International Union for Conservation of Nature (IUCN) or the Endangered Species Act (ESA) such as the XXXXXX, to a ZAA AMP Committee recognized Non-Governmental Organization (NGO) supporting conservation of this species. The (Designated NGO Name and hyperlink) is a/are vetted and favored NGO for (named species) by the ZAA AMP Committee. AMP institutions making their donation(s) through ZAA will receive name recognition. If requested, The ZAA Administrative Office can provide an annual invoice for the participant's donations to go through ZAA. If an AMP institution desires to make their donations directly to the recommended NGO or a related NGO of their choosing, then the institution is requested to send documentation of such to the ZAA Administrative office, including if their donation was through in-kind support.

I hereby acknowledge reading the Memorandum of Participation for the ZAA Animal Management Program described above and agree to abide by its stipulations and requirements.
