

On 3rd October 2019 the Committee on Petitions decided to keep the petition 0204/2019 on research on ME open. The Committee will keep monitoring the progress.
This is fantastic news and a major step forward!

If you would like to send a thank you note that would be great! You can choose to send it by email or regular mail. If you click the links under the names of the MEPs below you can visit their page on the EU website where other contact options like Facebook, Twitter, etc are also available.
