While the polls still seem to suggest that current Mayor Donald Mitchell Jr is ahead in the polls the gap seems to be slowly closing with some suggesting that the election is going to be much closer than many people have predicted. Perhaps the reason behind the shift in the public political opinion is that opposition candidate Bella Real has left no stone unturned in the last few weeks. She has seen a huge spike in support

Thursday June 10th
The memories of the grand halls
So much space to run down. So
much space to exist. So much to
uncover. Uncover all the hopes
of the past. Uncover all the
lies. LIES AND LIES. I am
going to uncover the truth. I am
going to do this. I just need to
focus. I just need to find the truth.
What am I missing? I need to find
it. Everyone is counting on me.

Monday June 11th
Five passes over
me like a ripple.
A wave of suffer-
ing. A wave of
heat. No one un-
derstands you. No
one will ever un-
derstand because
they live their

Ignorant lives born into
privilege while we were
born in shadows of tor-
ture and pain. NEVER
FORGET. Never forget the
torture and pain. In the
dark. The ripple of heat
over skin. Horror.
My home. We are where we
came from. Where we were
raised. Where we spent
quality time with our
FAMILY. My family. Demons.
Devils. Darkness. What have
I become? Time will never re-
lease me never let me go.

I keep having these some
dreams. The same wonderful
dreams. Oh sweet dreams my
release from this life. I
dream I am an ant being
chased by an elephant.
Stamping behind me. Has-
ing me. I cannot escape.
But before I am crushed
before I am stomped with
these big feet. I mull-
ty. I turn into a mil-
lion ants. All are me.

Tuesday June 12th
They crushed us like ants.
Only been into LIES. While
that prince sits in his
palace all of us rot like
little ants. Scurrying away
into this cesspool of a
city. Our time will come
Gotham. Our time will come.
I look in the mirror and all
I see is the pain of ALL OF
US. All of us suffering in
time. Caught in time. Can't
move on. Can't move forward.
Just keep slipping back.
Again again again again.
Time will never release me
never let me go. But I will
TAKE TIME back. I will take
it for myself. ME. I will
take it. I will make this time my
own. I will make time stand
still and make time cower at
my feet. It will be my time.
I will dig into this pool of
horror and make time my own.

I am a small pawn in this game
The numbers don't add up. What
are they hiding? What
can't I see? THINK THINK!! They are not smarter than me.
I am going to crack this code. I am going to crack this
enigma. I am going to uncover the truth. I am going to
do this. I just need to focus. I just need to find the
truth. What am I missing? I need to find it. Everyone
is counting on me. They all need me. All the kids need
me. I will hear them when I sleep. I will hear them when I wake.
Please save us they say. Please save us. Help us. I must
