

UNHCR materials for schools

Watch the animations

[UNHCR - Teaching about Refugees](#) A collection of UNHCR teaching materials on refugees, asylum and migration for primary and secondary education, as well as some guidance for teachers working with refugee children in the classroom.

[UNHCR - UNHCR Teaching About Refugees 2021 - Stress and Trauma Guidebook](#) This guidebook describes some of the common behaviours stressed or traumatised children may display and offers some ideas for activities that may help relieve stress or trauma in the classroom.

HOW TO DEAL WITH MEMORY FLASHBACKS AND EPISODES WHERE STUDENTS APPEAR 'NOT THERE'

(SIEBERT AND POLLHEIMER-PÜHRINGER, 2016)

If a student experiences a memory flashback there are a few things you can do:

- Take some deep breaths and make sure you feel calm yourself before you engage.
- If possible, refer them to the school nurse or medical care for some rest-time and a drink or sweet snack. If
