

Committee Objectives

Pages may need to be updated due to Covid.

Athletics:

Our PTO Athletic committee has created an Instagram @foothillptoathletics and a [Facebook](#) page to promote the athletic events, fundraisers, and camps. Coaches have had the opportunity to have their parent committees trained on concessions and Senior Night and Banquets. We will continue to work with the Coaches and Athletic Department to promote Foothill Sporting Events and Create more opportunities to get parents more involved with supporting our student athletes.

Fine Arts:

During the 2019-20 school year, we created the Foothill Fine Arts PTO [Facebook](#) page and Instagram @foothillptofinearts where we share events from art, band, choir, dance, orchestra, and theater. Fine Arts committee members contribute content for our social media pages, encourage production attendance through small business donations, and assist in fundraising opportunities to build stronger programs.

Falcon Parade:

Come help us bring that small-town community feeling to show support for our Foothill Falcons. The homecoming parade will feature all the schools feeding into our Foothill High School. If you would like to be involved or even want to share a thought, please contact Jamie Heagany, President/Executive Board Member or Megan Warren.

Community Outreach:

Join the Community Outreach Committee where we have the opportunity to bring parent support groups, along with education & awareness workshops to the Hill. Foothill PTO, Inc. is an outside entity of Foothill High School and will be conducting these informal events in small business venues throughout the Henderson area to encourage comfort and camaraderie in hopes to create mutual trust and friendships.

Fundraising:

Looking forward to hitting the school year with excitement as we unite to create funds for school-wide programs and staff appreciation. Please watch for member newsletters that are emailed, or follow the calendar on the PTO website for continuous opportunities to volunteer and help.

Staff Appreciation:

Working hard to build positivity with appreciation events that create friendships amongst parents and all staff members. Please watch for member newsletters that are emailed, or follow the calendar on the PTO website for continuous opportunities to volunteer and help.

Education:

Bringing support to our educational programs through community supply drives and fundraising.

Student Leadership:

Creating a collaborative effort between the PTO and Foothill student leadership programs by offering the extra support to bolster morale for the overall student body, polls and campaigns that will offer voice & choice, encourage community spirit, and promote events for Future Falcon interest.
