

Homecoming Dance Guidelines

Dress Code information: In an effort to ensure that everyone is correctly informed, please familiarize yourself with the dress code for the Homecoming Dance. Girls do not need to submit pictures prior to the dance this year. **However, please keep in mind that TCS faculty and staff reserve the right to deny admission to the dance if your attire does not meet the guidelines below.** If you want to be safe, you are welcome to send a picture to our Counseling Department Head, Kayla.whittle@tcslions.org.

Girls' Attire Guidelines:

- No tight form-fitting dresses. The hemline at the bottom needs to be wide from front to back so that there is a good bit of space between your thighs and your dress. Arriving in a short, form fitting dress will result in being asked to change or leave the dance.
- No short dresses. Hemlines should not be more than two inches above the knee.
- No low necklines. Yet, before you pass on a great dress, consider adding some additional fabric that is not see through or wear a modesty panel. See the cute [modesty panels](#) they have on Amazon.
- Slits should not go higher than 3 inches above the knee.
- The back of the dress should be raised to not have any view or exposure of the small of the back. Use the natural waistline as the guide
- Sides of the dress should fully wrap to the back and at a minimum to cross the midline of the side of the body
- If dresses have lace as a top layer, the underlayer can not be close to your skin tone because it gives the impression we are seeing your skin. This means that a nude/skin tone underlay is not approved.
- Two-piece dresses are allowed, but must have no more than two fingers of space in between the top and the skirt, even while hands are raised.
- GIRLS – pierced jewelry is limited to earrings with a maximum of two per ear (no nose piercings).
- Tattoos of any nature cannot be exposed on campus or at school-related functions.

Guys' Attire Guidelines:

- Nice Casual pants free from holes, rips, or tears.
- Collared button down shirt
- Ties, bowtie, sport jackets are optional
- No pierced jewelry is allowed at school-related functions.
- Tattoos of any nature cannot be exposed on campus or at school-related functions.
