Doctor of Healthcare Administration, Minor in Christian Healthcare Ethics

HBI University

Course Duration: 3 Years

Total Credit Hours: 105

Program Description

The Doctor of Healthcare Administration with a specialization in Minor in Christian Healthcare Ethics equips students with in-depth technical expertise and leadership capabilities required to manage complex systems, data infrastructures, and ethical decision-making within healthcare, technology, or humanitarian sectors.

This program integrates research, hands-on applications, and strategic insight across operational and policy-level environments. Graduates of the Doctor of Healthcare Administration will be prepared to lead initiatives in global and faith-based institutions.

The minor adds essential knowledge and practical skills to support targeted organizational or ministry contexts that serve the public good.

Admissions Requirements

- Master's degree in a related field
- Minimum GPA of 3.5
- 3-5 years of field experience
- Statement of purpose (1,000–1,500 words)
- Three letters of recommendation
- CV or professional résumé
- Faculty interview (if applicable)
