

End-User License Agreement (EULA) of Mood Tracker AI - Calmory

Last updated: Jun 29th, 2026

Introduction

This End-User License Agreement ("EULA") is a legal agreement between you and Maria Stan.

This EULA governs your acquisition and use of the Mood Tracker AI - Calmory mobile application ("Software") directly from Maria Stan or indirectly through an authorized reseller or distributor.

Please read this EULA carefully before installing, accessing, or using Mood Tracker AI - Calmory. By installing, accessing, or using Mood Tracker AI - Calmory, you confirm that you accept this EULA and agree to be bound by its terms. If you do not agree with the terms of this EULA, you must not install, access, or use the Software.

This EULA applies only to Mood Tracker AI - Calmory supplied by Maria Stan. The terms also apply to any updates, supplements, Internet-based services, and support services for the Software, unless other terms accompany those items.

License Grant

Maria Stan grants you a personal, non-transferable, non-exclusive license to use Mood Tracker AI - Calmory on devices under your control in accordance with this EULA.

Mood Tracker AI - Calmory is intended for personal lifestyle use, including mood tracking, daily emotional check-ins, personal reflection, self-care notes, AI-generated summaries, and general well-being suggestions.

You are responsible for ensuring that your device meets the minimum requirements of the Software.

You are not permitted to:

- Edit, alter, modify, adapt, translate, decompile, disassemble, reverse engineer, or otherwise attempt to derive the source code of the Software.

- Reproduce, copy, distribute, resell, rent, lease, sublicense, or otherwise use the Software for any commercial purpose without permission.
- Allow any third party to use the Software on behalf of or for the benefit of another party.
- Use the Software in any way that violates applicable local, national, or international laws.
- Use the Software to submit unlawful, harmful, abusive, misleading, or infringing content.
- Use the Software for any purpose that Maria Stan considers a breach of this EULA.

Important Notice

Mood Tracker AI - Calmory is a lifestyle and self-care application. The Software is designed to help users record mood entries, reflect on their emotional state, organize personal notes, and receive general AI-generated self-care suggestions.

Mood Tracker AI - Calmory does not provide medical advice, mental health treatment, diagnosis, therapy, emergency support, crisis intervention, or clinical recommendations. Any content generated by the Software is provided for general informational and personal reflection purposes only.

Mood Tracker AI - Calmory is not intended to collect, analyze, or disclose sensitive health data for medical, diagnostic, therapeutic, advertising, or profiling purposes.

You should not rely on Mood Tracker AI - Calmory as a substitute for professional medical, psychological, psychiatric, or therapeutic advice. If you believe you may have a medical or mental health condition, or if you are in distress, you should contact a qualified professional or local emergency services.

Data Collection and Use

Mood Tracker AI - Calmory allows users to voluntarily enter mood records, journal-style notes, emotional check-ins, text prompts, preferences, and other information they choose to provide while using the Software.

This information is used only to provide the app's core functionality, including mood tracking, AI-generated summaries, self-care suggestions, and personal reflection features.

Mood Tracker AI - Calmory does not collect facial data, biometric identifiers, faceprints, biometric templates, precise location data, contact lists, public-source data, or information used to identify other individuals.

Mood Tracker AI - Calmory does not build individual profiles from public sources, does not perform people search, does not provide background checks, does not verify identities, and does not generate investigative reports about third parties.

Mood Tracker AI - Calmory does not use user-provided content for advertising, marketing, data brokerage, third-party profiling, or tracking users across apps and websites owned by other companies.

Data Processing, Storage, and Deletion

User-provided mood entries, notes, prompts, and emotional check-ins may be processed on secure servers only when necessary to provide AI-powered functionality requested by the user.

We do not permanently store user-provided mood entries, notes, prompts, or emotional check-ins on our servers.

After server-side processing is complete, user-provided content is automatically deleted and is not retained for future use.

Any data saved inside the app is stored locally on the user's device unless the app explicitly provides a user-controlled account, backup, or cloud synchronization feature.

Mood Tracker AI - Calmory does not retain user-submitted content after processing AI responses, does not use such content to train AI models, and does not create long-term user profiles based on submitted content.

We use reasonable technical and organizational measures to protect user data during processing.

Data Disclosure and Transfer

Mood Tracker AI - Calmory does not sell, rent, trade, disclose, or share user-provided mood entries, notes, prompts, emotional check-ins, or other personal content with third parties for advertising, marketing, analytics profiling, data brokerage, or any unrelated purpose.

User-provided content is processed only for the purpose of providing the app's requested functionality.

We do not transfer user-provided content to third parties except where strictly necessary to operate the app's technical infrastructure, process the user's request, comply with applicable law, or protect the security of the Software.

Any technical service provider involved in server-side processing is required to process data only on our behalf and only for the limited purpose of delivering the requested app functionality.

The app does not track users across apps or websites owned by other companies.

User Responsibilities

You are responsible for the information you choose to enter into Mood Tracker AI - Calmory.

You agree not to submit content that is unlawful, harmful, abusive, defamatory, discriminatory, misleading, infringing, or otherwise inappropriate.

You should not submit sensitive personal information about other individuals without their permission.

Subscriptions and Payments

Mood Tracker AI - Calmory may offer paid subscriptions or other in-app purchases.

Payments are processed through your Apple iTunes account at confirmation of purchase.

Subscriptions automatically renew unless canceled at least 24 hours before the end of the current subscription period.

You can manage or cancel your subscription in your Apple ID account settings. Cancellation will take effect after the end of the current paid subscription period.

Intellectual Property and Ownership

Maria Stan shall at all times retain ownership of Mood Tracker AI - Calmory as originally downloaded by you and all subsequent downloads of the Software.

The Software, including its design, features, text, graphics, code, content structure, and all intellectual property rights, shall remain the property of Maria Stan.

Maria Stan reserves the right to grant licenses to use the Software to third parties.

Termination

This EULA is effective from the date you first use the Software and shall continue until terminated.

You may terminate this EULA at any time by deleting the Software from your device and discontinuing use of the Software.

This EULA will terminate immediately if you fail to comply with any of its terms. Upon termination, the license granted under this EULA will immediately end, and you must stop all access to and use of the Software.

The provisions that by their nature continue and survive shall survive any termination of this EULA.

Disclaimer of Warranty

Mood Tracker AI - Calmory is provided "as is" and "as available" without warranties of any kind, whether express or implied.

Maria Stan does not guarantee that the Software will be uninterrupted, error-free, accurate, complete, or suitable for any specific purpose.

AI-generated content may be incomplete, inaccurate, or not suitable for your specific situation. You are responsible for evaluating any information or suggestions provided by the Software.

Limitation of Liability

To the maximum extent permitted by applicable law, Maria Stan shall not be liable for any indirect, incidental, special, consequential, or punitive damages arising from your use of or inability to use the Software.

You use Mood Tracker AI - Calmory at your own discretion and risk.

Governing Law

This EULA and any dispute arising out of or in connection with this EULA shall be governed by and construed in accordance with the laws of TR.
