

IMPORTANT SCHOOL IMMUNIZATION INFORMATION

Dear Boise School District Parent or Guardian,

We are excited to have your child attend 7th Grade in the Fall. Students entering 7th grade are required to have the following immunizations:

- 1 Tdap
- 1 Meningococcal

*In addition to the 7th grade requirements, the following are requirements for all children born after September 1, 2005:

- 5 DTaP
- 4 Polio
- 2 MMR
- 3 Hepatitis B
- 2 Hepatitis A
- 2 Varicella (Chickenpox)

Under Idaho Code [39-4802](#), parents or guardians may request an exemption on medical, religious or other grounds. For more information, review [Immunization Requirements for Idaho School Children](#).

Please review your student's immunization status with your healthcare provider to ensure that your student meets any new or existing school immunization requirements. Please provide documentation of these immunization(s) or an exemption to the school prior to the first day of school. Your child will not be able to start school the first day in the fall if we do not have an up to date immunization record or a signed exemption form by the first day of school.
