

Platform	Main function	Who has access and how
Managebac	<p>For DP 1 and 2 teachers, students (not PreDP).</p> <p>Calendar for summative assessments.</p> <p>Reporting happens in and through Managebac. Students get an email when they are ready. Principal will send a message to guardians so they are aware to ask their child to show them.</p> <p>CAS-students input proposed experiences and evidence, reflection and learning outcomes are also added to each experience once approved.</p> <p>TOK and EE assessments also tracked here.'</p> <p>Submission of drafts for feedback on official IB Internal Assessments and some External assessments done at school too. And final submission of the same.</p> <p>Some teachers utilize Managebac for providing information about unit planning, while others utilize mostly Classroom.</p>	<p>DPC, students, teachers, Access through hvitfeldtska.managebac.com</p> <p>Access given by DPC: she needs your name and email which we should have as part of admission process. You'll get an email inviting you to complete the process by choosing a password.</p>
IST	<p>Student registration database holding study plans, national test grades or Swedish national program subject grades (if applicable).</p>	<p>Administrator, Principal, parents and students through Vklass.</p> <p>IT support (in South Building) can help if you have problems accessing it.</p>
Vklass	<p>General school communication to students, parents, and teachers. Personal messages can be sent to one another.</p> <p>Access to schedule, IST, news, school wide documents.</p> <p>Ability exists for calendar and task submission but IB will not utilize it.</p> <p>Development Talk module will be used for IB Pre Diploma Program only.</p>	<p>Administrator can help if you can't get in.</p>
