

Derek's Joke 1

A guy finds his dog with the neighbour's pet rabbit in its mouth.

The rabbit is dead and the guy panics. He takes the dirty, chewed up rabbit into the house.

He gives it a bath, blow dries its fur, and puts it back into the cage at the neighbour's house, hoping they will think it died of natural causes.

A few days later, the neighbour asks the guy: "Did you hear that Fluffy died?"

The guy stammers and says: "Um... no... what happened?"

The neighbour replies: "We found him dead in his cage one day, but the weird thing is that the day after we buried him, someone had dug him up, gave him a bath and put him back into the cage."

"There are some real sick people out there!"

Derek's Joke 2

Doctors are used to getting calls at any hour.

One night a man phoned, waking me up. "I'm sorry to bother you so late," he said, "but I think my wife has appendicitis.

Still half asleep, I reminded him that I had taken his wife's inflamed appendix out a couple of years before.

"Whoever heard of a second appendix?" I asked.

"You may not have heard of a second appendix," he replied, "but surely you've heard of a second wife."

Derek's Joke 3

A married couple is sleeping when the phone rings at 3 AM.

The wife picks up the phone and, after a few seconds, replies, “How am I supposed to know? We’re 200 miles inland!” and hangs up.

Her husband rolls over and asks, “Sweetheart, who was that?”

“I don’t know, some woman asking if the coast is clear.”

This from me....

Julie Andrews Turning 79 - this is hysterical!

To commemorate her birthday , actress/vocalist, Julie Andrews made a special appearance at Manhattan's Radio City Music Hall for the benefit of the AARP. One of the musical numbers she performed was 'My Favorite Things' from the legendary movie 'Sound Of Music'. Here are the lyrics she used:

(Sing It!) - If you sing it, its especially hysterical!!!

Botox and nose drops and needles for knitting,

Walkers and handrails and new dental fittings,

Bundles of magazines tied up in string,

These are a few of my favorite things.

Cadillacs and cataracts, hearing aids and glasses,

Polident and Fixodent and false teeth in glasses,

Pacemakers, golf carts and porches with swings,

These are a few of my favorite things.

When the pipes leak, When the bones creak,

When the knees go bad,

I simply remember my favorite things,

And then I don't feel so bad.

**Hot tea and crumpets and corn pads for bunions,
No spicy hot food or food cooked with onions,
Bathrobes and heating pads and hot meals they bring,
These are a few of my favorite things.**

**Back pain, confused brains and no need for sinnin',
Thin bones and fractures and hair that is thinnin',
And we won't mention our short shrunken frames,
When we remember our favorite things.**

**When the joints ache, When the hips break,
When the eyes grow dim,
Then I remember the great life I've had,
And then I don't feel so bad.**

**(Ms. Andrews received a standing ovation from the crowd
that lasted over four minutes and repeated encores. Please
share Ms. Andrews' clever wit and humor with others who
would appreciate it.)**
