Class of 2021 Council Meeting

4/26

1. SHIP competition updates updates
    a. Sam now in a Google Chat with leaders
        i. 5 days in - continually getting updates
        ii. Q will send Sam highlights of the competition and will send to group chat
        iii. Everyone on council hypes this up via social media
        iv. 13 teams - no longer a 10 team limit (kind of last minute)
    b. Useful way to illustrate how these students "lived sustainability"
        i. Kim sustainability handbook
    c. Potential standard for sustainability
2. Tabling Review - Better for Tomorrow?
    a. Link for comments here
    b. Give to more people - free shirts
    c. Most important is feedback
        i. Minimal
        ii. Good dialogue about how we are more than a programming board
            1. Engage in legitimate meaningful conversations
            2. Our goal as the class council is to *create community* for our class
3. Review the End of Year Review Form
    a. Why we're filling this out
        i. Roadmap for next year's freshmen.
        ii. What we want to do next year.
