

IMPROMPTU SPEAKING
Sample Topic 1

***Disclaimer:** This is a sample topic of what a competitor will find in this competition. To view the official guidelines, visit the Competition page of the national website at www.fbla.org.*

One of FBLA's goals is to encourage and practice efficient money management. Discuss whether you feel taking a course in personal finance before graduating high school is important and why or why not.

Describe a time when you accomplished a task that you felt was beyond your abilities or skills. What did you learn by accomplishing the task?
