

document printing

First, count the number of pages in your document. Determine if single or double sided printing, Colour or Black/White Printing plus the amount of copies needed. Once ready, click the get started button and proceed with your order. [online document printing](#) At the checkout, please do not forget to specify your delivery preference and proceed to payment. We advise to select Next Day Delivery if the document is super urgent. Once we receive your order, it will be processed and delivered according to your specifications.
