

**Good morning Orange High School!!!! This is Audra Incledon
and this is Brandon Wang.
with your Daily Lion Reminders for Wednesday, March 19th.**

Aya Saya: "Marie Curie was the first woman to win a Nobel Prize, the first person to win a Nobel Prize twice, and the only person to win a Nobel Prize in two scientific fields. Her husband, Pierre Curie, was a co-winner of her first Nobel Prize, making them the first married couple to win the Nobel Prize and launching the Curie family legacy of five Nobel Prizes. She was, in 1906, the first woman to become a professor at the University of Paris."

"Reminder for Book Buddies! We will have our end of year awards and service hours meeting today for Wednesday book buddies. This will take place in the Media Center after school. If you're unable to attend and would like to get your service hours certificate, please reach out to Mrs. Lyon or Mrs. McNally. Thank you!!!"

"Attention all Orange Students - Support the SGA Fundraiser by showing up at Chipotle on Chagrin Blvd today between 4-8pm! All proceeds from the entire day will go towards Prom!"

"Tomorrow after school Unity and Diversity will meet in the Media Center."

"Stargirls will meet after school on Friday March 21st in the Media Center".

"Every year on March 21, people all around the world come together to celebrate World Down Syndrome Day by wearing brightly colored, unique socks.

March 21 is symbolic because people with Down syndrome have 3 copies of their 21st chromosome. The idea was created because chromosomes are shaped "like socks" and people with Down Syndrome have an extra chromosome.

The theme for World Down Syndrome Day 2025, is to call on all governments to Improve Support Systems for people with Down Syndrome.

People with Down syndrome **and other disabilities need** support to live and be included in the community, like everyone else. Many countries do not have support systems that meet the needs of people with disabilities and their families. Or the support systems they have do not respect the human rights of people with disabilities.

Governments must make sure there is a support system, so people with disabilities are included in the community. Let's show our support and celebrate World Down Syndrome Day by wearing colorful, unique socks this Friday!"

Upcoming OHS Sports Events -
