PROFESSIONAL EXPERIENCE

English Author (Storyteller)

Storytelling, Opinion and Feature Writing based on lived experiences and genocide realities.

- *Representing underreported voices and communities through responsible and advocacy-driven journalism.*
- *Researching and drafting feature articles, opinion pieces, and narrative essays for international audiences.*
- *Translating complex socio-political realities into accessible, compelling, and grounded storytelling.*
- *Conducting interviews and incorporating firsthand accounts to ensure authenticity and accuracy.*
- *Collaborating with editors to refine structure, tone, and alignment with each platform's editorial standards.*
- *Communication and dealing closely with editors for every article in each platform to shape a final draft to publish.*
- *Fact-checking and ensuring content credibility in sensitive and high-impact topics.*
- *Strategically framing stories to maximize awareness and international reach.*
