Endorsements(Optional, and no direct competitors): None currently but used to have some

Net Worth in USD(Optional, and be reasonable): Around \$35 million

Extra(Optional): Speaks Korean, English, and French.

Backstory(Optional): He was born in Busan but moved to Toronto when he was like 10 where he had friends like Steven. He went back to Korea at the age of 18 on a trip and was street casted by SM. He became a trainee and trained with a few NCT members. He called it quits after learning he had no future as an idol and he focused on becoming an actor and model. He gained international recognition and was relatively well accomplished. He decided to pull an Arnold Schwarzenegger around his early 40s by running for Mayor of Seoul in a by-election after the incumbent resigned from a scandal. The concept of him running was kind of a joke but his platform was pretty serious. He never actually thought he would make it as far as to win his party's nomination and get elected mayor. He ran for President in 2047 and won by a slim margin.
