

Statement on the upcoming federal elections

We are thrilled for the upcoming Congressional races as we gear up to hit the campaign trail. We will be working hard to send Virginia's Republican Congressional delegation back to Washington to continue their incredible work. We are especially excited for our race here in the fifth district in hopes to send a fantastic candidate, Denver Riggleman, to Capitol Hill. Further, the College Republicans at the University of Virginia will be placing much of our effort into this race due to its immediacy and contentious nature.

We will be providing the necessary resources for ALL federal campaigns to our members and volunteers. This is our duty as an affiliate of the Republican Party of Virginia and the College Republican Federation of Virginia.

That being said, after evaluating the Virginia Republican nominee for United States Senate, and surveying sentiment from many of our members, the Executive Board will not be making an endorsement for the United States Senate race at this time. However, we fully intend on assisting members who want to be involved in this race and will provide them with the resources necessary to do so. We see this as an important decision in order to communicate the values and positions of our organization
