We understand the value and services your respective agency provides to the Dayton area, and we want to give your organization an opportunity to showcase those services at the **Brain Health Resource Fair**. The focus of the Brain Health Collective Resource Fair is to improve access to a continuum of care for individuals affected by brain injuries and other brain health issues. On behalf of the Brain Health Collective, we are pleased to invite representatives from your organization to join us for the Resource Fair for survivors, families, advocates and community partners on October 21, 2025 from 3:00 p.m. to 6:00 p.m. The event will be held at Goodwill Easterseals Miami Valley, 660 South Main Street, Dayton OH 45402.

This event will be a wonderful opportunity to engage with community members and share information relevant to individuals who have survived a brain injury and their families.
