

Here are this week's homework assignments:

Do the following reading worksheet on Electromagnetic waves:

https://drive.google.com/file/d/19_Noqd_xrVEdDELdy4B6X51P3hMBFDcm/view?usp=drivesdk

Watch the following videos:

<https://youtu.be/m4t7gTmBK3g>

https://youtu.be/pj_ya0e20vE

<https://youtu.be/PVPwGsaHups>

Read student pages 1&2 in the following reading packet. Pick two types of electromagnetic radiation from the packet. Complete the research guide sheets that go with the two types of electromagnetic radiation that you have selected.
