

1. **A NS** Train was so fast like a horse.

The train was as fast as a horse.

The train was like a galloping horse.

2. **U** I feel refreshed with good sleep as a charged cell phone.
like a charged cell phone

3. **# U T V** I was excited like children that expecting the school's picnic. So I can't sleep early before the night like a jazzed up child.
I was excited like a child looking forward to a school picnic. Like a hyped up child, I couldn't sleep early the night before.

4. **U WC** I must have been so scared watching the movie that I felt as thirsty as a person who is lost in a desert.

5. **NS V** People were pushing me really hard that I can hardly endure.
People were pushing me so hard that could hardly endure.

6. **M P/T WC** Finished the great meal we came back to the car.

After finishing...., we went back

We finished....and went back...

7. **V A V A** I made my hair dried with electric hair dryer which release parched air like the wind of desert.

I dried my hair with an electric hair dryer which released parched air like the desert wind.

8. **SV M** There was a woman who was discreetly picking her nose, an old man coughing, a guy barking about something on the phone, and a couple having that sweet little birdy chat.

9. **PR A WF T WC WO** We lived in ten floor ,it is the tallest floor so all of the city landscape that I can take in everything at a glance.

We lived on the tenth floor. It is the highest floor so I could take in all of the city landscape at a glance.

10. **U** These days, I teach 5 sentences and 10 vocabulary words per day.
Vocab

11. **U M U** Most of them do not want to speak English and they are really afraid of native people if they ask the questions.

12. **U #** I made them fun while the class is going on, but I gave lots of homework for them to improve their language skills.

I let them have fun
