IDEA Lab Courses from WAC LIAISONS

IDEA stands for “Interdisciplinary Developments in Ethical AI.” IDEA Lab Fellows from four CSUF colleges collaborated to design Canvas Master Courses that build faculties’ disciplinary AI literacy. Different disciplines use AI in unique ways: consult your College’s IDEA Lab course to find resources you can use today!

[College of Humanities & Social Sciences IDEA Lab Course](#)

Designed by David Adams and Christie Gardiner.

[College of Business and Economics IDEA Lab Course](#)
