

Crestmoor Park Garden Club
November 9, 2023
9:30-11:00

The November meeting was held at Janine Armatas's home with 11 members attending and 6 electing to make a fresh flower arrangement.

There were no announcements or business conducted.

Sarah Cioni from Belle Terre Floral led everyone through creating an arrangement. She provided a container, candle, pumpkin, various greens and 10 flowers to each member. The arrangements were beautiful!!

Sarah updated the club that she is currently doing the flowers for ***Married at First Sight***, a reality show from Lifetime that is being filmed in Colorado. We were lucky to have her teach us some of her methods.

There is a web designer moving our website to a much easier platform. Wix is cumbersome and not intuitive.

Respectfully submitted,
