2. Payments & Refunds Don't worry. It happens!

- Payment will be done through my CashApp and your order will be processed through my Google Form
- If you wish to end the commission process, please let me know in advance so I can refund your payment. Please relay your Cash App request clearly so I can transfer your refund correctly. **(Make sure you're requesting/sending money to ME!)**

Please Read: This is what my account looks like. Make sure it matches!

- If I complete the commission before you request a refund, you cannot order one after I finish my work.
