

Week of June 8th, 2026

HOMework

DAY	Math	Important Reminders
Monday	None	
Tuesday		
Wednesday		
Thursday		
Friday		

Homework Book Info- Homework books should be left at home. When pages are assigned, students should be completing this at home, ripping out the page, and returning this to school the next day. Occasionally, I will be giving them alternative assignments, but the majority will be in their homework book 😊

Optional Homework Info: On occasion (most likely on a Friday) optional homework will be assigned. If students complete the optional homework, they will receive 1 coupon. 3 coupons can be traded in for a choice of prize!

Signed Test Info: All topic tests should be reviewed at home, signed and returned the following day. If you have any questions regarding the test, don't hesitate to reach out to me.
