FOOD SCIENCE NEWS UPDATE

AUTHORS: MRS. BAKER

Read a magazine, newspaper, or a credible online resource and/or watch a credible news video that discusses some aspect of the food industry or recent food-related research. Identify the source of information and summarize what you have read in 5-7 sentences in your own words. Describe how this information can be applied and what group of people (i.e. kids, older adults, parents, pregnant women, general population, etc) most needs this information.

Title of Article or Video:

Source (Magazine, Newspaper, or Web-Site):

Date of Publication
