

Privacy Policy for ODEX AR: Hathaway

Last Updated: April 2026

Thank you for using **ODEX AR: Hathaway**. Your privacy is important to us. This Privacy Policy explains how the application handles user information.

1. Overview

ODEX AR: Hathaway is an augmented reality (AR) mobile application designed to enhance the user experience by allowing users to scan a ticket and view interactive 3D content related to *Mobile Suit Gundam Hathaway*.

The application operates entirely on the user's device and is designed to function without collecting personal information.

2. Information We Collect

We do not collect, store, transmit, or share any personal data.

Specifically:

- No personal information is collected
- No location data is collected
- No contact information is collected
- No device identifiers are collected
- No usage analytics are collected
- No account creation is required

The app runs locally on your device and does not send user data to external servers.

3. Camera Usage

ODEX AR: Hathaway uses the device camera solely for augmented reality functionality.

The camera is used to:

- Scan tickets or visual markers
- Display 3D augmented reality content

Important:

- Camera data is processed locally on the device
 - No images or videos are recorded
 - No camera data is stored
 - No camera data is transmitted
-

4. Advertisements

This application does not display advertisements.

The app:

- Does not use advertising services
 - Does not use ad networks
 - Does not track users for advertising purposes
-

5. Data Storage

All functionality of the application operates locally on the device.

The app:

- Does not store personal data
 - Does not upload files or media
 - Does not sync data to servers
 - Does not use cloud storage
-

6. Third-Party Services

ODEX AR: Hathaway does not use third-party services that collect user data.

The application operates independently and does not integrate with:

- Analytics services
 - Advertising networks
 - Social media platforms
 - External tracking systems
-

7. Children's Privacy

ODEX AR: Hathaway does not knowingly collect personal information from children or users of any age.

Since the app does not collect any data, it complies with child privacy protections.

8. Security

Because the application does not collect or transmit user data, the risk of data exposure is minimized. All processing occurs locally on the device.

9. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected by updating the "Last Updated" date at the top of this document.

10. Contact Information

If you have any questions about this Privacy Policy or the application, you may contact:
