Dear Parents and Guardians,

The mission of Fountain-Fort Carson School District 8 is to ensure that each student receives an optimum educational experience. For students who are identified as gifted, this educational experience includes the development of an Advanced Learning Plan to help highlight and target each student's individual learning needs. Enclosed you will find a draft version of your student's Advanced Learning Plan for the 2024-2025 school year. Please review the information in your student's plan to ensure it is an accurate reflection of your student's academic and social-emotional strengths and needs and reflects the feedback you and your student have provided.

I will plan to further discuss your student's Advanced Learning Plan with you and your student as part of **his or her ***Enter Parent/Teacher Conference or ALP Meeting*****. Additional information about the date and time of your **conference or ALP meeting** will follow in the coming weeks. I look forward to hearing your ideas and answering any questions you may have as I partner with you and your student this year.

If you have any questions before our meeting, please do not hesitate to contact me.

Sincerely,

*****Enter your name and contact information*****
